Minutes of Madison Sidewalk Committee meeting
Thursday, June 28, 2007

Present: Jeff Lechner, Sharon Knapp, Anita Weidaman, City Engineer Chad Comes, Mayor Gene Hexom

The committee met on Thursday, June 28, 2007, in the Engineer's Conference Room at City Hall. The committee reviewed the sidewalk recommendations included in the comprehensive plan as well as pedestrian safety issues associated with high traffic areas near schools and developing neighborhoods. Following a thorough discussion, it was moved by Anita Weidaman and seconded by Sharon Knapp that the Madison City Commission consider the following recommendations for sidewalk installation in the city for the year 2008.

Priority No. 1 – complete the installation of sidewalks on both sides of Division Avenue from N.E. 8th St., south to East Center Street.

Priority No. 2 – complete the installation of sidewalks on both sides of West Ave., from N.W. 9th St., south to N.W. 2nd St.

Priority No. 3 -- complete the installation of sidewalks on both sides of N.E. 8th St., from Washington Ave., east to Prairie Ave.

Motion carried unanimously.

The meeting was adjourned.
