

Note:

1. Asphalt concrete - manhole and casting shall be adjusted to final grade prior to placement of surface course.
  
2. Concealed pick holes and the seal between the frame and cover shall be protected from asphalt, concrete pavement, chip seal and soil. It shall be the contractors responsibility to provide a system to prevent material from entering the concealed pick hole and frame and cover seal during the work.
  
3. For chip seal projects, the entire manhole cover and frame shall be protected from the chip seal installation.
